

SCIENCE CURRICULUM MAP

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Ourselves		Materials		Plants	
Year 2	Materials and force		Light and dark	Nocturnal	Animals in their habitats	
Year 3	Magnetism as a force	Rocks and Fossils	Sound and light		The body	
Year 4	Electricity	Using forces/Managing forces	States of matter		The structure and life cycle of plants	Animals, plants and their environments
Year 5	The Solar system	How light works	The body and life processes		Separating materials and non-reversible changes of state	
Year 6	Life cycles	Equal and opposite forces	Evolution and adaptation		Electricity and its application
