

Post: Primary English Subject Content Creator

Salary: M3-M6 based on experience

Commitment: A minimum of 4 days per week. The position will run from September 2023 to August 2024

Responsible to: Fox Curriculum Lead

Fox Federation is a passionate community of three schools working collaboratively to ensure equal access to consistent, excellent education for all pupils. Our schools are nurturing places to work, committed to innovation and have high academic standards. Fox School recently won the tender to produce the full Primary English content for Oak National Academy.

We're looking for inspirational Primary teachers with English expertise to help us create English content for one year, during our curriculum partnership with the Oak National Academy. This will involve creating high-quality English lesson slides, quizzes and resources, and accompanying videos for Key Stage 1 and/ or Key Stage 2. Successful candidates will have the option to work flexibly or a school base in central London.

Main Responsibilities:

- Design and creation of lesson resources, comprising slide decks, worksheets, quizzes and associated lesson information, which meet Oak's quality guidance requirements and showcase best practice in subject and pedagogical expertise across PrimaryEnglish lessons as allocated by Oak;
- Produce video recordings delivering the lesson to provide a model for teachers and to support remote learning as part of an asynchronous lesson, which meet Oak's quality guidance requirements and showcase best practice in subject and pedagogical expertise;
- Peer review lessons created by fellow teachers;
- Provide feedback on production processes, identifying opportunities for improvement;
- Maintain communication through Slack and Email with line managers both in Fox and Oak National Academy.

Essential knowledge, experience and skills

- 3+ years direct experience of teaching in a school/schools following the English National Curriculum for English in Key Stage 1 and 2;
- An excellent practitioner with experience of creating and delivering lesson content that demonstrates pedagogical best practice and excellent subject knowledge;
- Have a high standard of English, including punctuation and grammar, in written and verbal communication;
- Competent working with and adapting to a variety of technologies.

Other Information

- Successful candidates will commit to approximately 20 days training throughout September. This may include a three day residential;

- All successful candidates will be required to have reliable internet speed and connection with minimum download rate of 20 Mbps and minimum upload rate of 5 Mbps;
- All relevant IT equipment will be provided for the duration of the project.

Successful candidates will have a desire to contribute in all areas to ensure Oak is successful. You will be comfortable working at pace and you will continuously look at ways that the team can work more smartly. You will be excellent at working as part of a remote team, building relationships and managing your time effectively.
